

The Jewish Genealogical Society of Montreal
in cooperation with
The Jewish Public Library
presents a lecture by

Stanley Diamond

Project Coordinator of Jewish Records Indexing - Poland

Stanley will lecture on the progress of this project as well as speak about his recent trip to Poland and the Polish archives. He will also provide news about new record sources and other indexing projects.

Monday, November 19, 2001

at 7:30 p.m.

Jewish Public Library
1 Cummings Square
(5151 Cote Ste. Catherine Road)
