THE "RESEARCH CIRCLE" JGS's Annual Highlight Event

"EACH ONE - TEACH ALL"

The "Research Circle" is an annual highlight event in the JGS of Montreal calendar. Join this exciting evening, which will be devoted to showcasing the research of our members and friends.

Each story is a mini-tutorial providing suggestions for new research opportunities based on recently acquired knowledge and skills.

MONDAY, DECEMBER 16, 2002, 7:15 PM

Gelber Conference Center · 1 Cummings Square (5151 Cote St. Catherine Road)

Actual research experiences and breakthroughs of the past year will illustrate how these avenues have already been successfully pursued.

An opportunity to learn - for all.

Genealogical books and newsletters will be available for reference.
