**“At birth, we are handed a suitcase that someone else has packed. We will carry it all our lives and yet, if we were passing through customs, what would we answer when asked: who packed it? Unpacking that suitcase can provide vital clues to who we are and where we’re going.”**

Writer, editor and poet, Gina Roitman is the author of the critically-acclaimed short story collection, *Tell Me a Story, Tell Me the Truth* and co-producer, co-writer and the 'Me' in the award-winning film, *My Mother, the Nazi Midwife, and Me*.

The documentary follows Gina on her return to her birthplace to uncover the truth about her past and how her mother saved her life.
