

# **JEWISH GENEALOGICAL SOCIETY OF MONTREAL MEETING**

*WHEN: October 21, 1996*

*TIME: 7:30 pm sharp!*

*WHERE: Golden Age Association, Auditorium  
5700 Westbury Ave.*

**TOPIC:**

***"Return to Poland"***

**Speaker: Stanley Diamond**

**Mr. Diamond has had unparalleled access to archives of Poland for his genetic research project. He will provide an update on newly discovered genealogical resources, and efforts to track down all branches of his family who may be unsuspecting carriers of the Beta-Thalassemia genetic trait. It is a fascinating tale, about genealogical detective work, still unfolding.**
