What I Learned Photographing and Indexing 50,000 Gravestones

In addition to learning how to take legible gravestone photos, I learned how to utilize a few key resources to correct and augment genealogical information. I'll share some research techniques that you can use. I've seen many types of memorials and inscriptions: some majestic, some tragic, some informative, some quirky, which I will share discretely.

Gelber Conference Centre - 5151 Cote Ste-Catherine

Members & Interested Friends are always welcome!
